# REVIEWS FROM OUR WONDERFUL CLIENTS

★★★★★

We stumbled upon Furry Creek 2 years ago when we were searching for a venue to host our wedding. The First-Tee ceremony site was absolutely stunning and the course itself is so beautiful, it made our photographers jobs easier with the picturesque landscapes. Everyone at Furry Creek from Brad, Kyley, Kalinda, Lynette and the entire team went above and beyond to ensure that our wedding day went off without a hitch. Brad is incredibly charismatic and friendly and made us feel so at ease with choosing Furry Creek as our wedding venue. Kyley was instrumental as our venue point of contact leading up to the day and was very responsive and helpful during our planning process. Her and Kalinda both made sure that our ceremony and reception on the day of was on schedule, set up how we wanted it, and truly helped us turn our vision into a reality. Our guests raved about the food selections from both the cocktail hour and the reception dinner. From start to finish, Furry Creek was incredible to work with and essential in bringing our wedding day dreams to life.

★★★★★

Kyley, Thank you so much for everything at our wedding. You guys were all fantastic and your staff was just amazing, they made the night perfect. Everything turned out so beautifully, the arbor, the tables and centerpieces, all the layouts. Natalie and I are both very very happy with how it went.

★★★★★

This team was completely dedicated to making our wedding dreams come true. We had the most amazing day and they were 99% responsible for it. I will not ramble on but will say, thank you, Furry Creek and your team for an amazing day. Cheers to you all!

★★★★★
